

Technical Specifications

Standard charging 0~100% power time (h)	Approximately 5.5
Drive motor type	AC permanent magnet synchronous motor
Peak power of drive motor (kW)	100
Peak torque of drive motor (Nm)	290
Gearbox type	Single speed ratio two-stage reducer
NEDC power consumption under comprehensive working conditions (kWh/100km)	13.2
NEDC comprehensive working conditions cruising range (km)	278
60km/h constant speed cruising range (km)	350
0-50/h acceleration time (s)	3.4
Maximum speed (km/h)	155
Suspension System	Front: MacPherson independent suspension/ Rear: Multi-swing arm independent suspension
Suspension System	Front: Ventilated disc type / Rear: Solid disc type

Lens LED headlights	✓
New energy exclusive C-type LED daytime running lights	✓
The headlights leave home function and light sensor automatically turn on	✓
Full LED stereo tail light	✓
External rearview mirror integrated LED side turn signal	✓
Exquisite chrome-plated exterior suit	✓
Roof shark fin antenna	✓
UV protection green heat-insulating glass	✓
Front windshield heating system	✓
Textured horizontally drawn silver gray lower trim	✓
Bright black brushed gradient upper plaque	✓
Black interior	✓

AEB automatic brake assist system	✓
Front double front airbags	✓
Front side airbag	✓
Rear door child safety lock	✓
The fifth generation of intelligent electronic anti-theft system	✓
EPB electronic handbrake	✓
EPS electronic power steering system	✓
Remote control central control door lock	✓
Rain-sensing silent boneless wiper	✓

Remote control central control door lock	✓
Rain-sensing silent boneless wiper	✓
4 speakers	✓
Brake light/turn signal/reversing light bulb damage alarm device	✓
Luggage compartment lighting	✓
Front row 12V power interface	✓
Two USB ports in the rear (charging only)	✓
Zhixing multimedia entertainment navigation system (8-inch color touch screen / real-time road navigation / map online upgrade / natural voice control / charging pile query / Car Life, CarPlay & MirrorLink mobile phone mapping / USB interface / Bluetooth function)	✓
220V portable charging cable (16A, 32A)	✓
Exclusive charging wall box	✓
Intelligent charging reservation system	✓
2 Air Bags	✓
Rims	15" Wheels
